Thank you for buying a Software995 Toolset key.

What you have purchased is a license key, not the programs themselves.
Each program is available as a free download, from its own site. All
the products' sites are linked to from <http://www.software995.com> .
Once the programs are installed, running the key will disable the ad
pages.

To disable the sponsor pages, please download and run the
<http://www.signature995.com/dat/ToolsetKey.exe> file.
Key value: cherokee050

Please back up your software, key and key value in case you need it in
the future. We update our files regularly and do not keep old ones on
file.

We hope you enjoy using our products.
